

## **MB2000 VENTILATION / COOLING**

Powerful fan in a tough steel body with locking castors. Capable of generating 14,400m<sup>3</sup>/hr at 480pa with directional head that can be locked into position. Available in both 110V or 230V and is ideal for either ventilation or cooling.

### **TECHNICAL**

Airflow 14,400m<sup>3</sup>/hr  
Height 870mm  
Width 550mm  
Depth 770mm  
Weight 61kg

### **FEATURES**

- ☒ Awesome
- 14,400m<sup>3</sup>/hr airflow
- ☒ 110V or 230v
- ☒ Can vent or cool
- ☒ Powerful motor
- ☒ Lockable castors
- ☒ Can be ducted

### **ENVIRONMENTS**

- Spot cooling
- ☒ Warehouses
- ☒ Process Cooling
- ☒ Event hire
- ☒ Factories
- ☒ Gymnasiums
- ☒ Retail
- ☒ Shops
- ☒ Suitable for most Commercial and Industrial Applications
